As part of accessing those Services you may be required to agree to additional terms and conditions directly with such third parties which supplement how WeWallet and those third parties share information in order to offer such Services. Please keep in mind that information we collect is covered by this Privacy Policy, and the information the third-party sites or platform collects is subject to the third-party site or platform’s privacy practices. Privacy choices you have made on the third-party site or platform will not apply to our use of the information we have collected directly through our

platform. We encourage you to be aware when you leave our sites or applications and to read the privacy policies of other sites that may collect your personal information.

OVERVIEW

Scope

This Privacy Policy applies to visitors and users of WeWallet platforms anywhere in the world. This Policy describes how WeWallet and its affiliates collect and use information. This notice applies to all users of our platform, websites, mobile applications, features or any Services.

No Personal Information Collected

As a company committed to protecting user privacy, WeWallet is dedicated to ensuring that to the best possible extent, we do not ask for, collect, store or process any personal data for registration purposes or for primary services. We understand that user data is a sensitive and valuable resource, and we take great care to safeguard it from unauthorized access, use, or disclosure.

However, in the event of unforeseen circumstances such as a complaint or customer support access, we may need to collect personal details such as your name and contact information to resolve the issue effectively. This is necessary to ensure that we provide the best possible service to our users and maintain the integrity of our platform.

To ensure compliance with legal and regulatory requirements, we have put in place robust data protection policies and procedures that govern the collection, use, and disclosure of user data. We are committed to upholding these policies and will take all necessary steps to ensure that user data is collected and processed in a fair, transparent, and lawful manner.

In the event that we do collect personal data for any reason, we will take all necessary steps to ensure that it is protected from unauthorized access, use, or disclosure. We will only use the data for the specific purpose for which it was collected and will not retain it for any longer than necessary.

We understand the importance of user privacy and are committed to protecting it at all times. By using our platform, you agree to our data protection policies and procedures and consent to the collection and processing of your personal data as described in this policy.
